

1.6 PROVISIONAL, OPTIONAL AND DELETED TENDER ITEMS

1.6.1 For those Tender Items marked as “Provisional”, the Owner may delete all or a portion of that work associated with the item work prior to Contract Award without affecting the remaining Contract prices, without penalty or recourse. Evaluation of the tender will be based on the total tender price prior to deletion.

1.6.2 We agree that any or all of Tender Items may be deleted without affecting any other Tender Item prices.
