

Municipality of Shuniah

Application to Amend the Zoning By-Law

Under Section 34 and 36 of the Planning Act

Note to applicants:

This application form is to be used by persons or public bodies wishing to amend the Zoning By-Law for a specific property in Municipality of Shuniah. In this form, the term "subject property" or "the property" means the land that is subject of the proposed amendment.

A site visit is required. Submission of this application constitutes tacit consent for authorized Municipality of Shuniah staff to inspect the subject lands or premises.

A pre-consultation meeting with the Municipality prior to submitting the application is required. The purpose of a pre-consultation meeting is to identify any other information and materials (e.g., specific studies, plans or reports) which are necessary to provide a complete review of the application. This information must be included with the application.

Completeness of the Application:

The information that must be provided by the applicant is indicated in the application form, in accordance with Ontario Regulation 545/06 under the Planning Act. The mandatory information must be provided with the fee (LRCA + Shuniah). If the mandatory information and fees are not provided, the application will be returned, or refused for further consideration until the information and fee have been provided.

The application form also sets out other information that will assist the Municipality and others in their planning evaluation of the Zoning By-Law amendment application.

To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may not be possible to do a complete review within the legislated time frame for making decisions. As a result, the application may be refused.

Once the application is determined complete, revisions and/or changes to the application, including dimensions, will not be allowed. Please ensure the accuracy of your application. Errors or omissions may require a further

application and additional expense. Confirmation of the current land use and zoning on your property may be obtained from the Planning Department. The amendment and supporting documents will be made available to the public on the Shuniah website, www.shuniah.org, for further information please contact our office.

Submission of the Application:

The complete submission will include:

- ONE paper and ONE electronic PDF version of the full package including Survey Plan of the property
- The applicable fee(s) (LRCA + Shuniah) in accordance with the most recent Municipal Fees and Tariffs By-law.

Disclosure of information:

All information submitted in support of this application will be considered public information, including any reports, studies, drawings or other documentation submitted by applicant(s), agent(s), consultant(s) or solicitor(s). The Municipality of Shuniah is permitted to make the application and any associated supporting information available to the general public, including posting electronic versions of the application form and associated studies and reports online. The Municipality of Shuniah is also permitted to provide copies of the application and any supporting information to any member of the public or other third party which requests the information.

OFFICE USE ONLY:Application No. 224-4 Receipt No. _____Date of Pre-consultation Meeting: JUNE 27 -7

Date Complete Application Received: _____ Date Notice Given: _____

Fee Enclosed (amount): \$ _____ (LRCA) \$ _____ (Shuniah) PRE-CON FEE \$500.00 RECEIPT NO. 73472

PART 1 GENERAL PROPERTY DESCRIPTION**1. Registered Owner(s):**Owner's Name (indicate home owner along with property owner if different, such is the case with Associations): Debbie Weiler Mae Katt

Owner's Mailing Address: _____

City: _____ Prov.: _____ Postal Code: _____ Phone: _____

Cell: _____ Email Address: _____

2. Applicant/Agent information: (If different from Registered Owner, An Owner's authorization is required, Schedule A)

Applicant's Name: _____

Solicitor/Authorized Agent/Firm: _____

Applicant's Mailing Address: _____

City: _____ Prov.: _____ Postal Code: _____ Phone: _____

Cell: _____ Email Address: _____

Send Correspondence To? Owner Applicant Agent/Solicitor **3. Location of subject land:**Property Address: 2855 Eldorado Beach Rd.

Property Roll Number - 58-28-0__0-00__ - _____ (obtained from tax bill or assessment notice)

Association Name: _____

Concession No.	Section No.
Registered Plan No. <u>834</u>	Lot(s) No. <u>2 AND FRONT OF LOT 2</u>
Mining Location	Reference Plan No. Pts.
Geographic Township:	<input type="checkbox"/> MacGregor <input type="checkbox"/> McTavish

4. Lot dimensions (in metric units):Frontage: 36.2 m Depth: 156.45 / 95.97 Area: 5277 m² ±**5. Encumbrances:**

5.1 Please indicate the nature of any restrictive covenants or easements affecting the subject lands and describe each easement or covenant and its effect.

5.2 If known, the name of person(s) to whom the land or interest in land is to be conveyed, leased or mortgaged.

Municipality of Shuniah – Application for Zoning By-Law Amendment

5.3 How long have the subject lands been in the owner’s possessions? 29 YEARS

6. Existing use of property:

Zoning: SR Shoreline Residential Official Plan Designation: Residential

6.1 How long has this existing use continued? _____

6.2 Is the property located in a high-density area? If so, what is the Green Star status (none, partial or full)?

7. Description of all existing use buildings or structures:
 (e.g., Recreational, permanent dwelling, commercial shop)

Permanent dwelling

or Vacant Land

8. List of all existing buildings and structures (provide all measurements in METRIC units):

Type of buildings or structures	All yard setbacks (m)				Building dimensions	Ground floor area	Height	When built
	Front	Rear	Side	Side				
1. Dwelling	21.50	10.0	3.0	3.0	23x12	297m ²		2019
2.								
3.								
4.								
5.								

9. Describe the drainage of the site and any on-site or nearby water sources (e.g., creeks, ponds, ditches):

Lake Superior to the south.
Drainage ditch on east and west property lines.
Drainage culvert running diagonally across the property.

10. Former Use of Property Table (check as applicable):

Does the Owner own Adjoining Property?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown
Is there any reason to believe that the subject property or adjacent property may be environmentally contaminated?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown
Has an industrial or commercial use, or an orchard, been on or adjacent to the property?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown
Has lot grading been changed by adding or removing earth or other material?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown
Has a gas station been located on the subject property or adjacent land at any time?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown
Has there been petroleum or other fuel stored on the subject property or adjacent land?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown
Has the Ministry of the Environment, Conservation and Parks, or any other agency formally or informally advised the owners that the property is or may be contaminated?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown

Municipality of Shuniah – Application for Zoning By-Law Amendment

10.1 What information did you use to determine the answers to the above questions on former uses?

Historical information from previous owner + long time neighbours of previous owner

10.2 If you answered YES to any of Section 10 Former Use of Property Table, a previous use inventory showing all former uses of the subject property, or if appropriate, the land adjacent to the subject property is needed. Is the previous use inventory attached? [] Yes [] No
If the inventory is not attached, please explain.

10.3 If you answered Yes to any of the questions related to Section 10, Former Use of Property Table, was an Environmental Site Assessment (ESA) conducted under the Environmental Assessment Act or has a Record of Site Condition (RSC) been file? [] Yes [] No [] Unknown
If no, why not? Explain on a separate page, if necessary.

11. Uses adjacent to the subject property:

North Bush
South Lake Superior
East Abutting neighbour
West Abutting neighbour

PART 2 ZONING BY-LAW AMENDMENT

12. Indigenous land claims:

12.1 Does the proposed zoning by-law Amendment apply to lands subject to any indigenous land claims or provincial/indigenous co-management agreement? [] Yes [x] No
If known, provide any information you may have below or as an attachment to the application.

12.2 Have you consulted with Indigenous Peoples on this request for a zoning by-law Amendment? [] Yes [x] No

If yes, provide any information you have on the consultation process and the outcome of the consultation. Attach a separate page, if necessary

Municipality of Shuniah – Application for Zoning By-Law Amendment

13. Consultation Strategy:

Please describe in detail your proposed strategy for consulting with the public with respect to this requested amendment. Please explain below or attach on a separate page.

As required and set out by Shuniah

14. What is the proposed zoning by-law amendment?

Increase ceiling height of the loft of a new detached garage from 1.727 m to 1.98 m

15. Describe the purpose of the proposed amendment:

Explain on a separate page, if necessary

To create walking space in the loft where the owner doesn't have to crouch.

To increase loft headroom to install a storage lift garage attic elevator to move objects from main floor to loft without having to use the stairs.

16. Do the existing parts of the Zoning By-Law that would be affected by the requested Zoning By-Law Amendment conform with the Municipality of Shuniah Official Plan? [] Yes [] No

If yes, explain how.

Mission statement of the Official Plan says Shuniah "is committed to providing the highest quality of life" ... making the loft more accessible to elderly owners will improve their quality of life.

17. Does the proposed Zoning By-Law amendment conform with the Municipality of Shuniah Official Plan?

If yes, explain how. (Read and cut and paste all relevant policies sections. Use a separate page as needed).

See item 16

18. Describe how the proposal will fit in with the existing land uses in the area.

The ceiling height change will be undetectable from the exterior as the accessory building will be constructed to meet the bylaw requirements for size and max. overall height.

19. Describe in detail how the proposed amendment conforms with the intent of the Zoning By-Law.

The Zoning by-law restricts the height of a loft to discourage its use as "livable" space. Our proposed amendment is a minimal change to allow better access to storage space for elderly owners.

Municipality of Shuniah – Application for Zoning By-Law Amendment

20. Other planning applications

20.1 Has the subject land ever been or is it currently the subject of any other planning application, including applications before the Ontario Land Tribunal (OLT), for approval of either:

- Zoning By-law Amendment
 Consent
 Minor Variance
 Site Plan Approval
 Official Plan Amendment
 Plan of subdivision or condominium
 Minister’s zoning order

If yes, and if known, specify: the file number; the approval Authority; the land it affects; its purpose; its status, and its effect on the proposed amendment:

No

21. If the subject property is within an area where zoning with conditions may apply, how the application conforms to the official plan policies relating to zoning with conditions:

Not applicable

22. Description of **proposed** buildings or structures
 (e.g., Recreational, permanent dwelling, commercial shop)

Detached accessory garage with loft.

23. List of proposed buildings or structures on the property

Type of buildings or structures	All yard setbacks (m)				Building dimensions	Ground floor area	Height	When built
	Front	Rear	Side	Side				
1. Garage	21.50	10.0	3.0	3.0	7.32 x 12.2	89.3 m ²	6.0	2024
2.								
3.								
4.								
5.								

24. Describe the general topography and any special characteristics that may affect development (ravines, rocks, marshlands)

Site is gently sloped from road to Lake Superior.
Site is well drained by ditches and culvert. There is a wooded area at the road and along side yards that provides privacy from road and abutting neighbours.

Municipality of Shuniah – Application for Zoning By-Law Amendment

PART 3	SERVICING
---------------	------------------

25. Description of Street/Road:

<input type="checkbox"/> Opened	<input checked="" type="checkbox"/> Paved	<input type="checkbox"/> Gravelled	<input checked="" type="checkbox"/> Public	<input type="checkbox"/> Private
Width of Street or Road <u>2 lanes</u>				
Is the road maintained by the Municipality?		<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Unknown
Has the road been dedicated/transferred to the Municipality?		<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Unknown
Is the Road privately owned and/or privately maintained?		<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Unknown

26. Road access and/or frontage:

Name of Road: Eldorado Beach Road

Type of Road (i.e. Provincial Highway, Regional Road, Local Public Road, Private Road, Other)
Local Public Road

If Other, specify details, including water and right of ways, if access to the subject land will be by water only, the parking and docking facilities used or to be used, and the approximate distance of these facilities from the subject land and the nearest public road.
Not applicable

27. Describe what type of sewage disposal system is or will be provided to the subject land; and if it meets Provincial standards:

Existing septic system (Ecoflo) on the south side of the existing dwelling.

If the proposed amendment would permit development on a privately owned and operated individual or communal septic system and more than 4,500 litres of effluent would be procured per day and/or results in the development of more than 5 lots/units, a *sewage options report* and a *hydrogeological report* is required.

28. Describe how water will be provided to the subject property:

Existing drilled well.

If the proposed amendment would provide water through a privately owned and operated individual or communal well, the development of more than 5 lots/units may need a hydrological report. If lake or other water body water is proposed to be used, a permit To Take Water may be required (taking more than 50,000 litres of water per day requires a permit from the Ministry of Environment and Climate Change).

29. Describe how storm drainage will be managed (i.e. ditches, swales, others):

Drainage swales/ditches on east and west property lines and culvert running diagonal across property.

Municipality of Shuniah – Application for Zoning By-Law Amendment

PART 4	PROVINCIAL POLICY
---------------	--------------------------

30. Provincial Policy Statement (PPS):

30.1 Is the proposed amendment consistent with the PPS under subsection 3(1) of the *Planning Act*?
 Yes No

30.2 Explain how the requested amendment is consistent or not consistent with the PPS. Attach a separate page, if necessary. Submit a copy of a planning report, if applicable. (Read and cut and paste the relevant sections).

31. Is the subject land within an area of land designated under any provincial plan or plans? Yes No
 If yes, does the proposed amendment conform to or does not conflict with the provincial plan or plans:

CURRENTLY, THIS DOES NOT APPLY.

32. Significant Features:

32.1 Has a site assessment been carried out by a qualified person to determine if natural heritage features exist on or within 120 metres of the subject property? Yes No

32.2 Have any studies been completed to assess the impacts of the proposed development on any existing natural heritage features and adjacent lands? Yes No

32.3 Are any of the following uses or features on the subject lands of the proposed amendment or within 500 metres of the subject property of the proposed amendment, unless otherwise specified.

Significant Features checklist (Please check all appropriate boxes, if any apply.)

Use or Feature	On the Subject Property	Within 500m of Subject Land (indicate approx. distance)	Potential information needed
Class 1 industry*			If sensitive land uses proposed within 70m from the boundary lines, a noise/odour/particulate study may be needed
Class 2 industry**			If sensitive land uses proposed within 300m from the boundary lines, a noise/odour/particulate study may be needed
Class 3 industry***			If sensitive land uses proposed within 1000m from the boundary lines, a noise/odour/particulate study may be needed
A landfill site (closed or active)			If sensitive land use is proposed, and if within 500 m of the perimeter of the fill area, address possible leachate and groundwater impacts, noise, methane gas control, odour, vermin and other impacts may be needed.
A sewage treatment plant or waste stabilization pond			Assess the need for feasibility study for residential and other sensitive land uses.

Municipality of Shuniah – Application for Zoning By-Law Amendment

Provincial Highway			Consult Ministry of Transportation if access to provincial highway is proposed. If located in proximity to provincial highway, a traffic impact and a stormwater management report may be needed.
An active railway line and major highways			Evaluate impacts of noise within 100m
Electricity generating station, hydro transformer, railway yard, etc.			If sensitive land use is proposed, and if within 1000m, a noise study may be needed to determine possible noise impacts and appropriate mitigation measures.
High voltage electric transmission line			Consult the appropriate electric power service.
Transportation, infrastructure and utility corridors			Will there be a negative impact on a planned corridor?
Cultural heritage and archaeology			Adverse impact on significant built heritage resources and significant cultural heritage to be mitigated. Development is only allowed on lands containing archaeological resources or areas of archaeological potential if significant archaeological resources have been conserved.
An agricultural operation, including livestock facility or stockyard			Development to comply with Minimum Distance Separation Formulae (MDS)
An active mine site or an aggregate site operation site within 1000m of the subject land			Will development hinder or be incompatible with continued operation or extraction?
Mineral aggregate resources areas			Will development hinder access to the resource or the establishment of new resources operations?
A non-operating mine site within 1000m of the subject property			Demonstrate that the mine has been rehabilitated OR all potential impacts have been investigated and mitigated.
A rehabilitated mine site, abandoned mine site or mine hazard			If proposal is on, adjacent to, or within 1000m, consult with the Ministry of Northern Development, Natural Resources & Forestry
A significant coastal wetland A significant habitat of endangered species and threatened species A provincially significant wetland within 120 metres of the subject property species			Development and site alteration are not permitted in the features. Are any significant coastal wetlands or unevaluated wetlands present on the subject property or within 120 m? Are any known significant habitats present on the subject property or within 50 m? Has there been preliminary site assessment to identify whether potentially significant habitats are present?
A significant wildlife habitat A significant Areas of Natural and Scientific Interest (ANSI)			Development not permitted, unless demonstrate no negative impacts. Indicate if there are any significant wildlife habitat, and Areas of Natural and Scientific Interest (ANSIs) on the subject lands or within 50 m.
Fish habitat			Development and site alteration are not permitted in fish habitat except in accordance with provincial and federal requirements. Is any fish habitat on the subject property or within 30 m? Is any lake trout lake on the subject lands or within 300 m? If yes to any of the above, an environmental impact study may be required.
Adjacent lands to natural heritage features and areas			Not permitted unless demonstrated that ecological function of the adjacent lands has been evaluated, and it has been demonstrated that there will be no negative impacts.
Floodplain			Identify if located in floodplain and address accordingly, as per policies and Lakehead Region Conservation Authority.
A contaminated site			Assess an inventory or previous uses in areas of possible soil contaminations.
Hazardous sites****			Demonstrate that hazards can be address.
Erosion hazards			Determine feasibility within the 1:100 year erosion limits of river valleys and streams.
Sensitive surface water features and sensitive groundwater features			Restricted in or near sensitive surface water features and sensitive groundwater features. Demonstrate suitable mitigation measures and/or alternative development approaches to protect, improve or restore sensitive surface water features, sensitive groundwater features and their hydrologic functions.
A municipal or federal airport			Evaluate impacts of noise.
Crown land (identified by the Ministry of Natural Resources & Forestry as being of special interests, such as a lake access point)			Consult Municipality for assistance in dealing with planning issues relating to proposals requiring the acquisition or use of Crown lands. Contact the Ministry of Natural Resources and Forestry (MNRF) District Office regarding the actual acquisition or use of Crown land.

*Class 1 industry: Small scale, self-contained plant, no outside storage, low probability of fugitive emissions and daytime operations only.

**Class 2 industry: Medium scale processing and manufacturing with outdoor storage, periodic output of emissions, shift operations and daytime truck traffic.

***Class 3 industry: Processing and manufacturing with frequent and intense off-site impacts and a high probability of fugitive emissions.

****Hazardous sites: property or lands that could be unsafe for development or alteration due to naturally occurring hazard. These hazards may include unstable soils or unstable bedrock.

Municipality of Shuniah – Application for Zoning By-Law Amendment

33. Archaeological features:

33.1 Does the subject property contain any know archaeological resources or area of archaeological potential?

If yes, is the proposal consistent with the official plan Cultural Heritage Resources and Archaeology Policies?

Yes No If yes, please explain. Attach a separate page, if necessary. Submit a copy of the technical report(s), if applicable.

34. Is there any other information that you think may be useful to the Municipality in reviewing this request for amendment? If so, explain below or attach a separate page with this information. If applicable, include the original or certified copy of the supporting information and material.

35. SITE PLAN REQUIREMENTS

- North arrow, scale and legend;
- Boundaries of the subject property to the application including lot area and dimensions;
- Locations and dimensions of all existing buildings (*show locations of buildings/structures on adjoining properties*);
- The setback from the front lot line, rear lot line and side lot lines, the height of the building or structure and its dimensions or floor area (*show locations of buildings/structures on adjoining properties*);
- Location of well and neighbouring wells (indicate if the wells are dug or drilled, and indicate distance form property lines);
- location of subsurface sewage disposal system, including septic tank, weeping beds and any other components (*show neighbouring properties systems if known*);
- Location of all natural and artificial features (e.g., easements, railways, pipelines, high voltage transmission lines, highways, watercourses, drainage ditches, banks, slopes (contour lines), wetlands, wooded areas, wells, and septic fields) that are located on the subject land and on land that is adjacent to it and in the applicant's opinion, may affect the application See also Official Plan Schedule B1 Constraints Map. (NOTE: the LRCA Regulates 30m around all wetlands);
- The nature of the existing use of the adjacent properties (*e.g., residential, agriculture, automotive*);
- The proposed development, including the area and dimensions the size and location of buildings, parking areas (*including the dimensions of all parking spaces and aisles*), landscaping, amenity areas, etc.;
- The location, width and name of any roads within or abutting the subject property, indicating whether it is an unopened road allowances, a public travelled road, a private road or right of way;
- If access to the subject land will be by water only, the location of the parking and docking facilities to be used;
- The location and nature of any easement affecting the subject property; and,
- Any additional supporting information the applicant may wish to submit.

PLEASE ENSURE ALL PERTINENT INFORMATION IS CONTAINED ON A SINGLE SKETCH ONLY. THE MAXIMUM SIZE FOR THE ACCOMPANYING SKETCH SHALL BE 11" X 17". It is up to the applicant to ensure that the information provided is accurate.

Municipality of Shuniah – Application for Zoning By-Law Amendment

Schedule B

A Planning Justification Report is a report provided by an applicant as part of a complete application which:

- describes the subject property, its existing physical conditions, and its context within the surrounding community;
- outlines the Proposed Application;
- provides an overview of the relevant planning policy and regulations that affect the planning application, including Provincial Policy Statement, Growth Plan for Northern Ontario, the Shuniah Official Plan and any other related policy, regulations and guidelines;
- details potential adverse effects or impacts;
- summarizes each of the technical studies triggered by the potential adverse effects or negative impacts;
- details how adverse effects or negative impacts will be minimized or the mitigation measures with contingency plans; and,
- provides planning opinion and justification for the proposed development Application.

The level of detail for the planning justification shall be appropriate to the complexity or potential impact of the proposal; and/or in accordance with relevant official plan policy sections.

In the case of a Zoning Amendment, the Planning Justification Report is a brief (because most of the information has already been stated in the application form above) statement which summarizes the information required by the Planning Act; and also gives the applicant an opportunity to explain in their own words what they are seeking to achieve and why.

The Planning Justification Report must describe if the zone is being changed and/or if the permitted uses are changing, and if it is specific to the subject property only.

It must conclude by addressing potential adverse effects and compatible development (see *below).

Sample Planning Justification Report for a Zoning By-Law Amendment

Title: Planning Justification for a Zoning By-Law Amendment application to allow:....., located at.....

In summary, the reason for the request is to

The proposed development is beneficial to the community because.....

The potential adverse effects are.....; but will have little to no impact because the following (mitigation) measures will be implemented.....(reference technical studies).

Therefore, the resulting development will be compatible. (See *below for explanation of compatible development and adverse effects).

***Compatible Development (excerpt from the 2020 Shuniah Official Plan)**

In order to proceed, all new development requiring a Planning Act approval shall be compatible with existing uses in the vicinity by avoiding adverse effects or minimizing adverse effects to acceptable or negligible levels, and where applicable, in accordance with Provincial guidelines and Shuniah staff.

Where a development initiative has the potential to be incompatible with or cause adverse effects to other land uses/users in the vicinity, appropriate technical studies evaluating compatibility; and mitigation using avoidance, buffering, separation distances or other measures, shall be part of the planning justification in a complete application (see section 4).

Potential Adverse Effects

Common potential adverse effects of a proposed development relate to, but are not limited to:

- pattern, scale, massing, design of development, servicing levels of existing and future development;
- visual impacts relating to outdoor storage;
- shadowing and/or lighting and/or visual impacts on surrounding land uses including privacy of adjacent residential uses
- traffic volume and safety
- vehicle access and parking
- hydrological and hydrogeological functions
- surrounding natural heritage features and cultural heritage resources; and,
- noise, vibration, odour, dust and other contaminants or emissions.

Potential adverse effects for sensitive uses as defined in the Environmental Protection Act, means one or more of:

- a) impairment of the quality of the natural environment for any use that can be made of it;
- b) injury or damage to property or plant or animal life;

Municipality of Shuniah – Application for Zoning By-Law Amendment

- c) harm or material discomfort to any person;
- d) an adverse effect on the health of any person;
- e) impairment of the safety of any person;
- f) rendering any property or plant or animal life unfit for human use;
- g) loss of enjoyment of normal use of property; and
- h) interference with normal conduct of business.

Schedule B

Planning Justification Report for a Zoning By-Law Amendment to allow more head room on the loft level of a new accessory building (garage) located at 2855 Eldorado Beach Road.

In summary, the reason for the request is to modify zoning by-law 4.6.2.a) to allow an accessory building to have a ceiling height of 1.98m. The proposed structure will be a detached garage with two car garage on the main floor, ATV storage garage on the main floor, and additional storage space on the loft level for seasonal household items. It is not a large building so it will not overcrowd the site and will complement the existing main building by using similar materials and design elements. This amendment will not change the zoning of the property. It remains Shoreline Residential zone.

The proposed development is beneficial to the community as it won't negatively impact any of the adjoining residential properties. It will give the owner more enclosed storage space to leave the site uncluttered and tidy. This is what the Official Plan describes and promotes as "lakeside living".

There are no adverse affects to this development. The garage will be located between the existing residential building and Eldorado Beach Road, adjacent to the existing driveway. The increase in ceiling height will make the loft level more accessible for the owners and allow them an unencumbered passageway where they don't have to stoop to walk from one end to the other. The new garage will not affect any site parking or access to the lake. There will be no water service or plumbing associated with the garage, so it will not adversely affect the lake or the septic system. The garage will not be located within any regulated area as defined by the LRCA. The new garage is consistent in size with neighbouring garages and does not exceed the height of any residential accessory building, that being 6.0 metres measured from grade to the highest point of the roof.
